Noon Newscast on West Virginia Water Emergency: Beth Vorhees, Ashton Marra, & Dave Mistich Report

By [DAVE MISTICH](#) (/PEOPLE/DAVE-MISTICH)

Listen

14:29

Major questions remain in the chemical spill from Freedom Industries, Inc. in the contamination of West Virginia American Water supplies across nine counties. West Virginia Public Broadcasting news director Beth Vorhees interviews Mark Glass from Downstream Strategies, Ashton Marra reports on the recent press conference at West Virginia American Water, and Dave Mistich gives a run down of activity on social media.
